KidsKonserve

The brown paper bag has come a long way since you brought one along to school. And this brand makes it easy to be green, too, going back to basics with their eco-friendly spin on the classic—a colorful (kid friendly) and sustainable kit that includes a recycled cotton lunch bag, a cloth napkin, a stainless steel bottle, a resuseable sandwich wrapper, and two stainless steal food containers. (\$45 at [KidsKonserve](#))
